Re: Notice of Modification of Proposed Regulations
Title 13, Article 3.1, Section 180.00
Application for Replacement Plates, Stickers, Documents (Form REG 156)

In accordance with Government Code section 11346.8(c), the Department of Motor Vehicles (department) provides this notice for the purpose of inviting comments regarding modification of the proposed regulations amending the revision date of the form REG 156. The regulatory language as originally proposed was published in the California Regulatory Notice Register on May 12, 2017, and provided to interested persons for comment.

The department received no comments during the 45-day comment period that ended on June 26, 2017. During the 45-day comment period, the department accepted an employee suggestion intended to improve the form REG 156. As the form has been amended, the department has determined it necessary to allow an additional 15-day comment period to allow interested parties to review and provide comment on the amended form.

Attached is the full text of the proposed regulation. The text includes the originally proposed language as well as the proposed changes to the language. The language modifications are clearly illustrated by the following methods:

- (1) The language originally proposed to be added to the text is single underlined.
- (2) ~~The language now proposed to be deleted which was originally proposed to be added is overstruck and single underlined.~~
- (3) The language now being adopted is double underlined.

Any inquiries or comments concerning the proposed rulemaking action may be addressed to:
